

A Peek at the Week

Firefly Class

"Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning." - Mr. Rogers

Weekly Highlights

This week, the Fireflies experienced music with the Frog Class for the first time on "Music Monday". They did a great job being a part of a larger group. We sang *The More We Get Together*. We tapped our rhythm sticks to *Tap Your Sticks aka(The Pizza Song)* and we shook our egg shakers to *Shake!(Your Shaker Eggs)* by We Kids Rock.

We finished our class book which will be coming home soon! We need to practice reading and singing our letter sound song so we can read it with you!

Our comfy reading spot makes a great place to do letter and number puzzles. Look how cozy we are in the picture above!

Easel painting is also a favorite choice for the Fireflies! They are working those large motor muscles and working on crossing their midline while creating.

Pictured above is Sally our snail puppet helping with the pegboard. Everybody needs Sally the snail to help you learn!

Also this week the Fireflies enjoyed gym time with the trampoline. They really love to JUMP!

Dates and Reminders

In case you did not see it or hear about it, SNOW fell from the skies on Friday! The delightful giggles and cheers from all of the classrooms, reminded us of how magical it is for children.

Please send your child with a warm winter coat, hat, and mittens to play outdoors. Our outdoor time is a little shady on the playground. It is also early so the sun is not warming us. Your child will have more fun if they are comfortable.

Don't forget to stop by the Festival of Trees this weekend to see your child's animal hanging on the RCD tree!

Love, Cara
