

A Peek at the Week

Bear Class
Week of November 4 -8, 2019

Weekly Highlights

November is here and our playground time has been chilly first thing in the morning. Please be sure to have your children wear their warm coats, hats and mittens.

The children enjoyed learning new songs on Music Monday. A Turkey Is A Funny Bird and We Give Thanks are songs we practiced using sign-language.

Our projects this week kept us very busy. Everyone worked hard making adorable family portraits and we made bear decorations with twine for the festival of trees. We all had so much fun!

We hope everyone enjoyed the long weekend.

Dates and Reminders

Sign -ups for parent/teacher conferences are in the office. You may also call the office to schedule. The Festival of Trees is this weekend, please check out our adorable Bear decorations.

November 25 and 26 – will be a half day of school for everyone.

We will hold our Parent/Teacher conferences during this time.

Love, Alison and Brenda
